What: On Saturday, June 15th and Sunday, 16th, the West Chelsea Artists Open Studios will present its 13th annual artist's studios tour. Over 60 artists in more than 9 locations in the West Chelsea art gallery district will invite the public to tour their private studios.

The two-day weekend event attracts art enthusiasts, collectors, curators, artists, and tourists to the neighborhood making it a community-wide celebration. The artists of West Chelsea cordially invite public into their studios for "behind the scenes" access. Come meet the artists and see where they

create their work. This is a prime opportunity to purchase a wide range of affordable artwork — paintings, drawings, prints, textiles, mixed media, photography, sculpture and more — directly from the artist, and without the gallery mark-up!

This year we celebrate New York City's and the West Chelsea Gallery district foundation of the art world, ***the artist***. As our artist's open their studios to the public, we hope you'll join the self-guided tour and support our beloved West Chelsea artists' community.

When: Saturday, Sunday, June 15-16, 2024, 12 - 6 p.m.

About: The West Chelsea Artists Open Studios provides a rare opportunity for the community and tourists to meet our local contemporary artists who keep this historic art neighborhood vibrant. The artists will be on-hand to show their most recent artworks and discuss their artistic practice. Artworks will be available in a wide range

of media including — but not limited to— painting, sculpture, photography, mixed-media, textiles, prints, collage, street art, and much more!

The intimate setting gives art buyers and collectors the rare opportunity to purchase artworks directly from the artists' inventory without the gallery markup. It's also a fantastic way to discover new emerging talent while their work is still affordable.

The West Chelsea Artists Open Studios is organized and presented by West Chelsea artist, Scotto Mycklebust, artist/executive producer and the Public Art Squad Project.
